Capacity Audience Well Pleased With Variety Acts Given Friday By Kitchenettes Of Biglerville

The grade school auditorium at Biglerville which ordinarily seats between 400 and 450 persons, was "bursting at the seams" Friday night with a capacity audience of closer to 550 for the first performance of the Biglerville Kitchenettes home town, home talent, variety show, done in the best tradition of "The Gay Nineties."

The audience giggled, guffawed and applauded through two hours of songs, dances, choruses, comedy and pantomime, and could have taken more. The laughter was so infectious at times that it spread to the performers themselves. Authentic costumes, by contrast with the 1951 styles in men's, women's and children's wear, "brought down the house." The Kitchenettes and their "accomplices" in the cast really "laid 'em in the aisles."

Summertime Opening

Part one of the show, for the benefit of the Kitchenettes' park and playground fund, was a scene in a park, opening with "In the Good Old Summertime," by the chorus. Taking part in the opening number were Ada Eckenrode as the butterfly catcher, Ruth Moomaw as the traveling lady and Kathleen Lady, Dickie Guise, Tommy Osborn and Jean Moomaw as children at play. The park scene continued as the chorus sang "While Strolling Through the Park One Day," and Evelyn and Nelson Weber portrayed the strollers; George Sunbury, Sara Sunbury, Aline Tipton, Rodney Guise, Mary Pidler and Gladus Roe a group of picnickers. There was a lady and her dog, (Mary Lerew and "Bobo") and Daisy and Walter, (Doris Stierly and Freda Lupp) and mother and daughters, (Lucy, Suzy and Judy Fessel).

The chorus sang "Let's Take an Old Fashioned Walk," as Ruth Longenecker and John Drew strolled through the park as lovers. Barry Birnsmith and Randy Snyder rolled their hoops and the three gossips, Margaret Breighner, Buelah Shafer and Bess Kapp discussed the latest "park bench news."

"I Want a Girl"
Larry Eckenrode, Donny Hawbecker, Dickie Lawver, Kenny Lerew and Patsy Dugan played marionettes in the park while the chorus sang "While Strolling Through the Park," and as dusk approached, the old-fashioned gas light was lit by Margaret Guise as the lamplighter.

The first solo number was "I Want a Girl," well done by Clair Settle. The chorus sang "I'm Always Chasing Rainbows" and Mr. Settle "found his girl" in Doris Wambach, as the pair delighted the audience with "Linger Awhile."

What was bound to happen followed when the "barbershop quartet" took the stage for "Let the Rest of the World Go By" and "Sweet Adeline." Grace Trimmer, Marion Coulson, Josephine Seeman and Eva Lawver did so well with these numbers that the hilarity they invoked spread to the quartet itself.

Theme Song Of Show

Doris Wambach sang "When Francis Dances With Me," and the chorus rounded out the first part of the performance with "Goodnight Sweetheart," and "Would You Like to Have a Park?" which was apparently the theme song of the show.

The performance of Charles Yost in his impersonations of Sir Harry Lauder was outstanding and one of the highlights of the evening. Few have done it better. He brought the great Scotch comedian, kilts and (Continued on Page 2)

12-YR.-OLD GIRL DIES ON FRIDAY

Heleen Irene Heagey, 12-year-old daughter of Mr. and Mrs. George L. Heagey, East Berlin R. 1, Reading township, died Friday at 4:02 p.m. at the Warner hospital from complications. She was admitted to the hospital a week ago and had been ill for two weeks previous to that time.

The child was a member of the Lower Bermudian Lutheran church and the Ever Faithful Sunday school class. She was a six grade student in the East Berlin schools.

In addition to her parents she is survived by a brother, William D. B., at home; maternal grandparents, Mr. and Mrs. William B. Harman, East Berlin, and paternal grandfather, William D. Heagey, Biglerville.

Funeral services Monday at 1:30 p.m. from the Pitterturf funeral home with further services at the Lower Bermudian church conducted by the Rev. Norman L. Bortner. Interment in the church cemetery. Friends may call at the funeral home Sunday evening.

Man Badly Hurt In Auto Accident

Richard Sowers, 20, Gardners R. 2, was seriously injured early Friday when the auto in which he was a passenger struck a telephone pole on the Mt. Holly pike at Hunters Run.

He was taken to the Carlisle hospital with a fractured skull and a possible fracture of the right hip. His condition is reported as satisfactory by hospital attendants.

State Police reported Lynn McKinney, also of Gardners R. 2, the driver, lost control of his sedan as he attempted a right turn off the highway and the car struck the pole. McKinney and another escaped injury. The car was demolished.

AVE MARIA HOUR

The story of Brother Andre, a lay brother whose devotion established the Oratory of St. Joseph's in Montreal, will be depicted in play form Sunday afternoon at 5:30 o'clock on the Ave Maria Hour over WGET.

200 FARMERS ASSEMBLE HERE FOR SESSIONS

More than 200 farmers from throughout Adams county gathered this morning at the Gettysburg high school auditorium for the 35th annual meeting of the Adams County Agricultural Extension association.

The program got underway at 10 o'clock this morning with movies depicting scenes in rural Pennsylvania and then continued with a business session. A number of county agriculture and home economics 4-H clubs presented skits and talks on their activities during the past year.

Talks by County Agent M. T. Hartman, Assistant County Agent Ira N. Dummire and the home economics extension representative, Mary Jane Mickey, concluded the morning session.

To Hear Miss Serfass

Following lunch, the association will resume its session with group singing and a demonstration by the Senior Extension club. An illustrated talk by Miss Elaine Serfass, Gettysburg college student, who, as an international exchange student, spent last summer on farms in Germany, will be a feature of the afternoon session.

The work done by the county agent's office during the last year was outlined at this morning's sessions by Hartman, Dummire and Miss Mickey.

Hartman noted that farming outlook information was made available during the year to 300 farm leaders, marketing information was supplied to such organizations as the dairy producers cooperatives, cooperative fruit growers, county poultry federation, Knouse foods, farm bureau cooperative, the county egg cooperative, livestock cooperative, and fruit and vegetable growers.

Many Activities

Sixty-six farms were assisted with pond construction, 14 field drainage demonstrations were held, six open ditch blasting demonstrations were held. Information was made available to a number of farmers on farm water supply, sewage disposal, farm equipment repair, and plans for building construction.

Four alfalfa, a barley, a potato, three corn production, and two corn variety demonstrations were held. There were 14 pasture demonstrations, four lawn, two seed improvement farms, two athletic fields, a golf course, 27 erosion prevention on cropland and 18 erosion prevention in orchard demonstrations maintained to show practical methods of carrying on that work.

Seven woodlot planting and five woodland improvement demonstrations were maintained as were two permanent demonstration apiaries, four demonstrations on fruit pollination, six orchard management, five pruning, two rodent control, three tomato production, and a plant growing demonstration.

Miss Mickey Reports

In addition, Hartman noted, the county office sent 10 apple spray letters to 550 persons, nine peach letters to as many growers and nine cherry letters to 290 growers. Corn borers counts were made in 10 townships, with the average showing 13 borers per 100 stalks. Fourteen homestead improvement planting demonstrations were held as well as four community improvement planting (Continued on Page 5)

MARKS 89TH BIRTHDAY

Mrs. Allen L. Knouse, Gettysburg R. 2, is observing her 89th birthday today. Members of the family will serve a turkey dinner in honor of their mother. Mrs. Knouse is in good health.

Four-Year-Old Legless Larry Eugene Kepner Celebrates Birthday Sunday Assured Of Receiving Artificial Limbs In Early Future; Looks Forward To Having Cowboy Boots

Four years ago at the Warner hospital a baby boy was born without legs. On Sunday he will celebrate his 4th birthday with a new hope that before another birthday anniversary arrives he will be walking and playing almost like other children.

The baby of four years ago was christened Larry Eugene. His parents are Mr. and Mrs. Charles Paul Kepner. They live at Mummasburg. Mr. Kepner is a former resident of Fairfield. His wife was Kathryn Irene Cullison of Mummasburg. Mr. Kepner is employed at the Gettysburg furniture factory. He served with the U.S. infantry for four years in World War II, was overseas for 33 months, and took part in major landings and engagements in Africa and Italy. He was discharged June 15, 1945.

Birthday Cake, Gifts

Sunday, Larry will have a birthday cake with four candles, and he'll be the guest of honor at a turkey dinner. There'll be presents, but the greatest present of all will be the one to be provided by the Adams County Crippled Children's society.

Each year the society conducts an Easter Seal sale campaign to provide it with funds to help the crippled and maimed. No better example of the use to which these funds are put could be found than in what is being done for Larry Kepner. The society became interested in him when he was six months old. It has made arrangements to pay the initial cost of artificial limbs for the youngster.

Wants Cowboy Boots

It is appropriate that Larry's fourth birthday and the opening of the 1951 Easter Seal sale both come on Sunday.

Larry knows that he is going to get "legs" and what he's going to do when he gets them. One of his first desires is a pair of cowboy boots.

"When I get my legs you won't have to come upstairs to get me," he tells his mother. "I'll walk down."

His father and mother have done a good job preparing him for the day when he can walk, and he is eager to go to the clinic.

He knows what he wants to do when he grows up. His parents bought him a set of drums. "I'm going to be a band boy when I'm in high school," he says. Looking farther into the future, he says he

LARRY KEPNER

wants to become a doctor.

Larry is as normal a child as one could find in every respect other than his lower extremities. In fact, he is healthier, stronger, and happier appearing than many born with all their faculties.

Healthy, Active Boy

He plays a lot on the floor at his home, but in spite of this, has few colds and is seldom indisposed. He can turn somersaults, walk on his hands and climb from the floor to any chair or the davenport, using a hassock.

His parents have given him every opportunity that any other child

would have, probably more than many. He has his games, looks at picture books, and his mother reads to him. In everything he shows a very keen mind.

Larry likes his cowboy suit, with its sombrero and guns. Mounted on his hobby horse he can "shoot Indians" with the best of them.

Plays Baseball

"Come on, Come on, Trigger!" he shouts, and "bang, bang" go the guns. "When I get my legs I can make Trigger go better," he says. In the summer he plays baseball in the yard with his father, and, like (Continued on Page 2)

Select Speakers For S. S. Convention

Speakers for the annual convention were named Friday evening at a meeting of the county Sunday school association held at the YWCA. R. R. Starner presided.

Dr. Smoke Honored By National Group

Dr. Kenneth L. Smoke, head of the psychology department of Gettysburg college, has been named as a national vice president of Psi Chi, national honorary society in psychology.

The local college department head has already begun the work of his new office, which includes supervision of 25 chapters of the fraternity in colleges and universities in New England and the middle-Atlantic states. A regional meeting of the chapter will be held in New York, March 30, at which Doctor Smoke will be the presiding officer.

There are 77 chapters of Psi Chi in colleges and universities throughout the United States. The Gettysburg college chapter was installed in June 1949, three years after Doctor Smoke became head of the new department at the local college.

FAMILY GETS LETTER FROM "MISSING" GI

Cpl. Grant E. Bigham, Orrtanna R. 1, who was reported missing in action by the adjutant general on November 30, is very much alive and serving in Korea, according to a letter received by his parents, Mr. and Mrs. Grant E. Bigham, Sr., of near Orrtanna.

In a letter sent his parents from Kangju, Korea, written February 6 and mailed February 12, Corporal Bigham told his parents, "I am okay myself. It is a long time since I last wrote and I am sorry but I have been busy."

He reported that he was engaged in "riding troop trains hauling replacements from Pusan to a little town about 50 miles south of Seoul."

"Always Shooting At Us"

The local soldier said he had been engaged in this duty since "the day before Christmas, and I am getting tired of it." He added that the train he was on "the first day stuck in a five mile long tunnel for three hours. We were all nearly dead with smoke before we got out."

He noted too, "someone is always shooting at us, but no one has been hit yet."

Mrs. Bigham had expressed her belief no injury had come to Corporal Bigham when she first received the telegram from the adjutant general, Maj. Gen. Edward F. Witsell. At that time she had received a letter from her son which appeared to have been sent after the November 30 date.

Adding today that she had never given up hope that her son was still alive and well, Mrs. Bigham added, "and I hope I never again get a telegram from the adjutant general."

Nurses Aides To Take "Refresher"

The refresher course for Red Cross nurses aides will be given next Tuesday, Wednesday and Thursday evenings from 8 to 10 o'clock at the Warner hospital. It was announced today by Mrs. Henry M. Scharf, nurses' aid chairman for the Red Cross chapter.

Miss Lois R. Benson, director of nursing at the hospital, will be the instructor for the course which will be required of nurses aides who wish to serve again on the active list.

All persons who have completed aide training at some time in the past are eligible for the refresher course. Persons who wish to enroll in the class should notify the Red Cross office.

HYMN SING TO BE HELD SUNDAY

A congregational hymn sing is to be held at St. James Lutheran church as a part of the vesper service on Sunday evening at 7 o'clock. Included in the program are hymns requested by members of the congregation.

Prof. Richard B. Shade has arranged to have the four choirs participate in the service. They will offer two choral selections. Their first number will be "Fire Song," composer unknown, with soprano solo by Treva Crouse. For their second number they will sing "I Heard an Old Refrain" by Mrs. Hulen. Owen with antiphonal quartet by Edwina Lawver, Frances Shade, John DeHaas and John Basore. Dr. Ralph R. Gresh will give a Lenten meditation on the theme "Going Forth in Jesus' Name."

The Third Sunday in Lent will be observed at the 10:30 service in the morning. Dr. Gresh will speak on "Making Progress in Holiness." A vocal solo, "The Lord Is My Shepherd," will be offered by Treva Crouse. The morning anthem will be rendered by the senior choir singing "Jerusalem" by Henry Parker with bass solo by John Raffensperger.

Chinese Reds Are Reported Withdrawing To New Line

West Central Front Korea, Feb. 24 (AP) — Gen. Bryant E. Moore, commander of the United States Ninth Corps, died today after he walked away from his crashed helicopter in the Han river north of Yaju.

Tokyo, Feb. 24 (AP) — American patrols re-entered the Communists' major road hub of Hoengsong in central Korea for the second time today. They reported no enemy contact.

A field dispatch said the patrols later withdrew again under long-range fire from Chinese in hills north of the town.

On their first entry air-supplied U.S. troops and tanks fought a three-hour battle with Chinese forces and then withdrew from the town.

Under pressure by 100,000 men of six allied nations, the Chinese were withdrawing slowly toward a new defense line cutting across mountains north of Hoengsong.

Report Red Shakeup

This pullback from the scene of a disastrous Red defeat was made while reports circulated of a shake-up in the Chinese high command.

United Nations sources on the west central front heard that Gen. Lin Piao, "The Manchurian Hammer," has been shifted back to south China.

Lin, one of the ablest of Red China's field commanders, is believed to have been succeeded as leader of the Fourth Field Army in Korea by Gen. Peng Teh-Huai. Peng is deputy commander-in-chief of all Chinese Red armies.

Planes, tanks, artillery and warships—including the battleship Missouri—teamed up in keeping the four-day-old allied drive rolling in central Korea.

C-119 Flying Boxcars parachuted ammunition for the guns and gasoline for the tanks when supply trucks bogged down on muddy mountain roads.

The Missouri's 16-inch guns touched off a tremendous explosion during a bombardment near Songjin, on the northeast coast 185 miles north of the 38th parallel.

The direct hit destroyed a warehouse filled with ammunition intended for the hard-pressed Reds on the central front. Flames of the explosion rose 100 feet, smoke for 400 feet.

A massive barrage by artillery, tanks and planes blasted Reds out of a mountain pass today on the east flank of the 60-mile central front.

Rear Guard Resistance

The Reds offered stiff rear guard resistance on the approaches to a new mountain defense line north of Hoengsong and Chipyong.

That 20-mile segment of the front defenses Hongchong, a Red assembly and communication hub.

United Nations-held Chipyong, 40 miles east of Seoul, is the point where an encircled French and American combat team helped break the back of a Chinese counteroffensive last week.

YOUTHS MUST PAY DAMAGES

Charges of malicious mischief filed Thursday night against Paul Lupp, 27, Biglerville; Charles Hess, 24, of 32 South Washington street and Edward E. Shaner, 20, of 205 South Washington street, will be withdrawn upon payment of damages and costs.

David D. Kendeheart, proprietor of a cigar store and pool room at Chambersburg and North Washington streets, who filed the charges, agreed to the withdrawal Friday night before Justice of the Peace Robert P. Snyder. The case was continued until restitution of \$21 each and costs of \$4.50 each are paid.

The three men were charged with damaging cases and counters in the pool room Thursday night. Squire Snyder said a charge of assault and battery filed against Lupp by Earl Steinhour, South Washington street, was settled.

RECEIVES CAP SATURDAY

Miss Helen Smith, of Gettysburg, will receive her cap at the mid-winter capping exercises of Temple university next Saturday afternoon at 2:30 o'clock in Philadelphia.

RASPBERRIES, CELERY GOOD MONEY CROPS

Among the biggest money crops in dollars per acre locally are raspberries and celery, Donald Horst, crop supervisor of the C. H. Musselman company of Biglerville said today.

Horst added that he was surprised when records showed that the two crops are bringing in more dollars per acre than most other crops in the county.

A number of successful raspberry growers in the county earned a gross return as high as \$800 per acre during the past season, Horst said his records revealed. He added that the past two years have been especially successful for raspberry growers, with rain arriving at just the right time for production of large quantities of raspberries.

High Per Acre Value

He added that figures from the Pennsylvania Department of Agriculture Bulletin indicate that the high gross average value per acre of the celery crop was \$1,015.

"For high quick returns raspberries make an excellent crop," Horst noted. "Plants set out in the spring will produce the following year and bear on the average from eight to ten years thereafter. The crop calls for reasonable cultivation, spray and fertilization, but is hardy and with proper moisture at the crucial bearing period will produce plentifully."

"Raspberries last year sold to the processors for 20 cents a pound—equal to 28 cents a quart. The processors use the juice for flavoring and jellies. It is by far the most popular flavor."

Emmitsburg HOMEMAKERS HOLD MEETING

The Emmitsburg Homemakers club met Thursday afternoon at the home of club member, Mrs. B. P. Ogle, with Mrs. George Eyster co-hostess and the president, Mrs. Lawrence Orndorff in charge of the business meeting. Mrs. Lewis Higbee, in charge of the music, gave a reading on the life of Juliet Ward Howe, author of the "Battle Hymn of the Republic." Mrs. Mervin Tate, international chairman, announced that she had information to give to all those wishing to correspond with foreign families.

It was announced that tickets for the annual federation meeting to be held in Frederick, March 31, can be purchased from Miss Louise Sebold, county director of the federation. Miss Sebold, Mrs. Robert Gilleland and Mrs. Lewis Higbee were appointed the delegates from the Emmitsburg club to attend the federation meeting. Five dollars was donated to the local library. Mrs. Robert Daugherty, reading chairman, read several articles on Lincoln and Washington. Mrs. Roy Bollinger was appointed publicity chairman for the year.

The club voted to attend the annual Baltimore flower show in a body and hire a bus to make the trip. Mrs. E. L. Higbee was appointed to get the names of all those who are planning on going. The date is March 7. Mrs. John White and Mrs. Roy Bollinger gave a clothing demonstration on selecting ready-made dresses, fit and construction. The next afternoon of games will be held at the home of Mrs. George Eyster, on April 8th. A social period was enjoyed and refreshments were served.

A meeting of the Emmitsburg Community fund will be held Monday evening at the VFW home, Center square, at 8 o'clock. It was announced by President Thornton Rodgers.

The Emmitsburg high boys' and girls' basketball teams lost to Middletown at Middletown Wednesday afternoon. The boys' score was 57-39 and the girls' game, 38-21. The local boys went down under Middletown despite a well-played game in which they topped the score in both the second and last periods and in which B. Damuth tied Eckard of Middletown for high score, Herring, G. Damuth and Jones also showed up well. In the girls' game, Johnson of Middletown was responsible for 22 of their 38 points and Carrie Hahn, of Emmitsburg, 13 of the locals' 21 total.

A doubleheader between St. Joseph's high and St. John's, of Frederick, Wednesday night, resulted in a win for the local boys and a defeat for the St. Joseph's girls. In a preliminary game between the St. John's Jayvees and an independent St. Joseph's boys' team, another win was scored by the local lads. The scores: Girls' game, 30-23; boys' game, 36-25; preliminary game, 46-37.

The regular meeting of the Emmitsburg Lions club will be held Monday at 6:15 p.m. at the Lutheran Parish house.

all, to Biglerville, as he gave the audience "I Love a Lassie." "I'm Going to Be Married in the Summer-time," and other Lauder favorites.

For the opening of the third part of the show, the Kitchennettes paraded "MacNamara's Band," led by Maud Shetter down the center aisle and onto the stage in a riot of green and kazoos. Members of the band were Margaret Freed, Olive Barbour, Eppie Sterner, Susan Lawver, Bernice Guise, Sybil Unger, Vera Woodward, Jean Thomas, Ruth Dugan, Anna Osborn, Helen Snyder, Merle Lady, Mildred Birginsmith and Teresa McGlaughlin.

Irish Street Scene

Doris Wanbaugh was again an outstanding performer in the solo number, "Mollie Malone," and the chorus sang "When Irish Eyes Are Smiling." Marion Coulson sang "Too-Ra-Loo-Ra-Loo-Ra" with the chorus.

The Irish street scene also included the song "Irish Washerwoman" by William Harbaugh and a "Lancers" dance, in which John Drew, Harbaugh, Louis Kooker, Marion Harbaugh, Ruth Longenecker and Barbara Kleinfelter participated. The chorus concluded part three with "I'm Looking Over A Four-Leaf Clover."

The Kitchennettes paraded in review as part four, marching down the center aisle to the stage to the tune of "Yankee Doodle" and the Kazoos. With Clair Settle as soloist, they also played an Armed Forces medley.

Closing Salutes

The program concluded with a salute to Biglerville, Salute to Pennsylvania, Salute to the United States and "Hope for One World" with the Kitchennettes grouped around, first a replica of a Biglerville roadside sign, "Biglerville, Named for Gov. William Bigler"; second, the Pennsylvania state flag; third, a living Statue of Liberty, and last, a globe of the world and members of the cast dressed in the costumes of the nations.

The performance was directed by Charles Yost, with Dorothy Thomas as accompanist. Mrs. Yost was at the piano for Mr. Yost's "Lauder" numbers. Mrs. Lucy Pissel portrayed the Statue of Liberty. Six nations

Policyholders' Dividends Again Increased by Sun Life of Canada

ANOTHER RECORD YEAR FOR LEADING INTERNATIONAL LIFE COMPANY

Four hundred and forty-one million dollars of new life insurance was issued by the Sun Life Assurance Company of Canada in 1950, the largest amount written by any Canadian life company during the year, and over \$68 million (18.4%) more than the total for the preceding year. The volume of new insurance written during 1950 was greater than any of recent years and represents the substantial total of \$1,736,000 for each working day. George W. Bourke, President of the Sun Life, in releasing the 80th Annual Report announced a further increase in policyholders' dividends effective April 1, 1951, bringing the total amount payable this year to more than \$18 million.

Benefits at New High

The report reveals the strong position of the Company and the continuing expansion of its business and services. Total Sun Life insurance in force now amounts to \$4,462,000,000, or \$275 million (6.6%) more than a year ago. Group business now in force is \$1,085,000,000, an increase of 13.8% over \$950 million of new group business was written in 1950 compared with \$62 million in 1949. Payments to Sun Life policyholders in 1950 amounted to \$121,476,000, a new high, bringing to \$2,361,860,000 total benefits paid since the Company's first policy was issued in 1871.

Distribution of Business

The international character of the Company's business is illustrated by the amount of insurance and annuities in force in the various countries where the Sun Life operates: United States 33%; Canada 41%; Great Britain 12%; other countries 9%. More than 47% of the total assets of the Company are invested in the United States. The rate of interest earned on Sun Life assets in 1950 was 3.61% as against 3.48% in 1949 and 3.30% in 1948.

Mr. Bourke, in his review of the year, discussed the value of life insurance in the fight against inflation, and pointed out that life insurance premiums, while serving to provide protection for individuals and families, also add to savings which, in turn, benefit the nation as a whole through investments for essential purposes. The business of life insurance reflects the voluntary co-operation of the millions of men and women whose confidence and faith it enjoys. In return, the companies have established traditions of service and integrity which are outstanding in the annals of human endeavor.

Steps Against Inflation

Mr. Bourke offered five suggestions as important countermeasures against inflation: (1) Purchase only what is necessary. (2) Increase productivity by greater efficiency and maximum effort. (3) Finance defense and other necessary national expenditures on the pay-as-you-go principle. (4) Avoid wasteful government expenditure and duplication of service. (5) Increase personal savings.

GHS Ends Season On 55-42 Verdict Over Mechanicsburg

Spurring in the last half after being held on even terms during the first half, the Gettysburg high cagers upset Mechanicsburg here Friday night 55-42 in a South Penn contest to end their season with an over-all record of seven wins against 13 losses.

Coach George Forney's outfit played one of its better games of the campaign. Captain Charley Ford turned in a nice performance in holding down Sonny Jacobs, second high scorer in the loop, and also contributed five goals. Carl Saunders was particularly brilliant under the hoops while Dick Harriel took the scoring honors with 14 tallies. Guy Crist, Bill Williams and Jack Bream all performed well while Jim Skinner and Ivar Veldre were efficient in brief performances.

Eight Tied Scores
The first half was a nip and tuck affair with the score being deadlocked eight times. Mechanicsburg got off to a 4-0 lead on charity tosses before Harriel looped a goal. Another goal and foul by Harriel sent the Warriors out in front. After Crist caged an overhead try the score was tied at 8-8, 10-10 and 12-12 before Harriel looped a one-hander to put the Forney-men ahead 14-12 at the period.

Again in the second frame the count was knotted at 14-14, 16-16, 21-21 and 24-24 before a foul by Saunders and goal by Crist sent the Warriors in front 27-24 at the half. Crist caged a trio of goals to lead Gettysburg during the round. Jacobs landed a pair of goals and foul to pace the Wildcats.

Emel netted a goal for the visitors to open the third period and then the locals went on a scoring spree on goals by Bream, Saunders, Harriel and Saunders again to run up a 35-26 lead and from then on the Warriors enjoyed a comfortable margin. At the end of the stanza the score was 40-30.

Coach Forney kept making rapid changes in his lineup throughout which paid dividends as the new combinations clicked well. Ford rammed through a trio of goals during the round while Ronnie Parks connected for three long tosses for the Wildcats.

Scrubs Romp 52-24
Jacobs led Mechanicsburg with 15 points but Parks stole the show with his long sets, accounting for 13 tallies.

The Warrior reserves also brought their season to a successful conclusion by romping to a 52-24 decision in the preliminary game. Coach Sach's charges held a commanding lead all the way. The scrubs won 12 while losing seven during the season.

Training Camp Briefs

Vero Beach, Fla., Feb. 24 (P)—There no longer is any mystery in the Brooklyn camp as to what happened to pitcher Dan Bankhead. The righthander had been due to report last Monday and when he failed to put in an appearance, club officials reported the hurler missing. They had tried by telegram and telephone and locate him at his home, Gonzales, Tex., home.

Then, last night, Bankhead reached camp. He explained he had been held up in Birmingham, Ala., trying to find a place for his wife and three children.

Phoenix, Feb. 24 (P)—Manager Casey Stengel and other veterans in the New York Yankees camp are predicting a rosy future for 19-year-old Mickey Mantle, an infielder from the Joplin Class C club.

Mantle was a switch-hitting shortstop at Joplin last year and hit .383. He has been working out at third base, but Stengel thinks the youngster might eventually shine in the outfield.

Says Casey, "I wouldn't be surprised if he wound up there, either. With his tremendous speed and arm, it should be a cinch."

Sanford, Fla., Feb. 24 (P)—The New York Giants pitching staff, which last season developed into one of the most feared in baseball, is coming along with a rush in training.

There was further evidence yesterday that Leo Durocher's mounds-men are well advanced in their conditioning chores. During the workout, Jim Hearn, Sheldon Jones and Sal Maglie in particular had the hitters under control. Each of that trio worked about eight minutes, displaying not only surprising speed but curves as well.

Clearwater, Fla., Feb. 24 (P)—The National league champion Philadelphia Phillies, its youthful pitching staff one of the best in the majors, has a rookie hurler who is the talk of the training camp.

Righthander Leo Christante is making Manager Eddie Sawyer watch—and watch closely. "It is far too early to pass judgment on any of the pitchers," Sawyer says, "but I'll say this for Christante: he does everything a pitcher should."

Christante won 18, lost four for Utica, N. Y., in the Class A Eastern league, winning the loop's most valuable player award.

West Palm Beach, Fla., Feb. 24 (P)—The Philadelphia Athletics hoped today that Dick Fowler's pitching comeback is the real McCoy.

Fowler was sidelined last season by a buristis attack in his pitching arm. He won 15 games in 1949. Manager Jimmy Dykes said Fowler "looked good" in his first workout, while Coach Chief Bender said "he's throwing with an easy motion, without laboring. He's not holding back, favoring his arm as so many fellows do when they come back."

Tucson, Ariz., Feb. 24 (P)—Early to sign and early to train is pitcher Early Wynn, first Cleveland Indian regular to join Tribe rookies who have been training here for a week.

The star righthander who won 18 against eight losses last season had General Manager Hank Greenberg's permission to arrive last night, five days early.

In a six-inning rookie intrasquad game yesterday, two Ohio farmhands were battling stars. Catcher Hal Naragon of Barborton drove home two runs on three singles to spark his team to an 8-1 victory, and Mike Lutz of Dayton walloped a 400-foot homer, the only hit winner Sam Jones gave in three innings.

Tampa, Fla., Feb. 24 (P)—The Cincinnati Reds may be the surprise team of the 1951 season.

Who says so? Why, Tony Cucinello, cigar-smoking Redleg coach, does.

In the press room after an exhausting opening day workout Tony reasoned: "All we need is some hitting from our outfielders and Grady Hatton."

Hatton, a third baseman, is the Reds' prime concern in the infield. The rest of the infield, bolstered by some fine rookie prospects, is expected to be okay.

East Berlin Tops New Oxford; Meet York Springs For Title

Surging back for two big periods in the last half after trailing 22-18 at half time, the East Berlin high cagers eliminated New Oxford in the three-way scrap for first place in the Adams County league by triumphing 44-29 on the Gettysburg college floor before approximately 1,000 fans Friday evening.

East Berlin will now meet York Springs on the Biglerville high floor Monday evening at 8 o'clock in the championship game. York Springs, who drew a bye in the play-offs, had finished in a three-team deadlock for first place with East Berlin and New Oxford.

Coach John Miller's East Berlin team got off to a fast start Friday night in piling up an 11-3 lead before New Oxford spurted and finally reduced the lead to 14-13 at the quarter.

Wayne Mummert and Dean Nace exchanged goals at the start of the second period and then Gerald Mummert and Dean Nace looped goals to send Marty Flegal's outfit in front at 21-16. Wayne Mummert caged a rebound for East Berlin and Nace converted a foul for New Oxford to enable New Oxford to hold a 22-18 advantage at half time.

East Berlin drew to even quarters at 22-22 on a foul by Groupe, goal by Wayne Lau and foul by Don Hinkle. The Miller-men swept ahead at 30-32 before Gerry Mummert landed a pair of fouls for New Oxford. At the end of the period East Berlin led 32-25. New Oxford failed to score a goal in the period.

The ultimate winners completely dominated the last half as New Oxford was blanked from the half without a goal until the fading minutes when B. Miller looped a goal.

The winners' control of the backboards was a big factor in the outcome.

DELONE CAGERS BOW TO ALUMNI

Despite a big last half rally, the Delone high courtmen dropped a 51-47 tilt to the Alumni in a game played Friday evening at McSherrystown.

Originally the Squires were scheduled to play at Conshohocken but the game was cancelled when St. Matthew's Catholic was unable to obtain a floor.

Scoring was very evenly distributed for the Alumni while Jerry Smith looped 14 points for the high school lads.

MOUNTS DEFEAT AMERICAN 69-68

Pete Caruso's Mt. St. Mary's college dribblers scored a stunning upset Friday night by nosing out the favored American university cagers 69-68 in a thriller at Washington, D. C.

As a result of the win the Mountaineers regained first place in the Mason-Dixon conference with a record of 9-2. American, defending conference champion, has a 10-3 conference mark.

Les Gosgrove scored the winning points for Mt. St. Mary's with less than a minute of play remaining. However, Gene Janis was the big gun in the Mountaineer attack with 10 goals and as many fouls for 30 points.

Tonight Mt. St. Mary's meets Hampden-Sydney at Emmitsburg at 8 o'clock.

JR. HI CAGERS LOST 2 GAMES

The Gettysburg junior high cagers turned in a listless performance in dropping a 36-29 decision at Mechanicsburg to conclude an otherwise successful season. Coach Rogers Herr's lads won eight of 12 games during the season.

Gettysburg held a 14-13 lead at half time but collapsed completely in the last two periods with the Wildcats winning handily. The locals missed many comparatively easy shots while the defense crumbled badly.

The Mechanicsburg reserves won the opening game 48-26, after being held to an 8-7 lead at the end of the first period. Height played an important factor in the outcome.

New York, Feb. 24 (P)—Al Murawski of Lebanon Valley has lost the individual basketball scoring leadership to Scotty Steagall of Millikan university.

The NCAA Service Bureau announced that Steagall, early season leader, moved out in front during the past week with an average of 27.7 points per game.

Murawski, who took over the leadership two weeks ago, has an average of 26.6.

JOE LOUIS IS WINNER BY TKO IN 10TH ROUND

San Francisco, Feb. 24 (P)—Joe Louis, the winner of his toughest fight since he came out of retirement last September, said today he was ready for a return match for the heavyweight championship with Ezzard Charles.

The Brown Bomber scored a technical knockout over stout-hearted Andy Walker in the final round of their scheduled 10-rounder at the Cow Palace last night.

A sell-out crowd of 18,000 fans, accounting for official gate receipts of \$92,087.50, saw Louis batter the rangy San Francisco Negro round after round until he was arm-weary. It was his fourth win in his campaign to come back after being soundly drubbed by Charles in a 15-round bout for the title he once held.

Louis hit Walker with about every punch in the book but he couldn't floor him. He knocked the San Francisco fighter, who holds the California state title, into the ropes four times. In the final session, he caught Walker with a flurry of blows that had the California champ reeling. Referee Frankie Brown stopped the contest in 1:49 of the tenth. There was some booing by Walker fans, who thought he could have finished the battle.

In his dressing room after the match, Walker said he was sorry the fight was stopped but he wouldn't question the decision of the referee.

Louis told interviewers he finished "fresh" and added, "my wind held good. My timing still was a little off. I felt better at 207 pounds (Walker weighed 194) than at the 216 I've been fighting at."

PLEASANT PEOPLE

I am old fashioned. I like so much of the words that expressed so much when I lived in a small town and everyone knew the other, and so didn't try to "put on airs." People used to speak of a person as pleasant, of having a pleasant time, and of a pleasant day.

There is a great deal of meaning to this simple word, pleasant. Many years ago I came across the story of a young girl who is buried somewhere in New England and after the birth and death dates, this line is engraved upon her tomb stone—"She was so pleasant." People must have loved such a character, and I have an idea that one who has ever viewed that simple grave can never forget its inscription.

Pleasant people are really the salt of this earth. There are all too few of them. How many times we have come from visiting and have remarked: "What a pleasant home and how pleasant the people in it!" The late Frank Bacon, the actor, once made me very happy by stating that my office was the pleasantest he had ever been in. Ever since he made that remark I have tried to keep it just that.

Pleasant people stimulate us and somehow burn out so much of the dross in our minds and hearts. They make us feel that life is worth the living. Also they help us to dismiss our regrets and worries, and to emulate them by being pleasant. And why not? How much we lose in life by not being pleasant. We always try to walk away from those who are not pleasant, for they depress us.

Oliver Goldsmith spoke of David Garrick, the actor, as "an abridgment of all that was pleasant in a man." What a tribute! Who wouldn't want greatly to have that said of himself? Is there a more familiar word than this, heard since our childhood days — pleasant dreams? And how well we recall the last word of the town photographer, before taking our photo—"Look pleasant, please." Look pleasant, be pleasant, and you will hunt out your kind—pleasant people.

Just Folks

ABOUT ALL

A kiss at the door for farewell and hello,
Delight in the eyes as you come and go,
Life has little much better than that to bestow.

A child or two racing to meet you half-way,
To jump in your arms at the close of the day
Is a much truer tribute than flatterers pay.

A few friends to visit, a few friends to call
To comfort and aid if disaster should fall;
Who has these for a lifetime has just about all.

Knox-Bowling: Miss Mary Elizabeth Bowling, daughter of Mr. and Mrs. J. Albert Bowling, Gettysburg R. D., and Carl Richard Knox, son of Mr. and Mrs. Samuel D. Knox, Gettysburg, were united in marriage this morning in St. Francis Xavier Catholic church by the Rev. Fr. Mark E. Stock.

Joseph Wisotzkey and Miss Leonide Bowling were the attendants.

The bridegroom is employed by the Times and News Publishing company.

Keller-Frommeyer: The marriage of Miss Sarah Ellen Frommeyer and Joseph C. Keller was solemnized at a nuptial high mass Saturday morning at 8 o'clock in St. Joseph's Catholic church by the Rev. Leo J. Krichten. The ceremony was performed in the presence of 150 relatives and friends.

The bride is a daughter of Mr. and Mrs. Leo Frommeyer, Bonneauville, and the bridegroom is a son of Albert Keller, Gettysburg R. 4. The couple's attendants were Miss Amelda Keller and Ludwig Keller.

6-Inch Louis Punch Beats Dorozio: Philadelphia, Feb. 18 (AP)—Those reports that Joe Louis is slipping are premature.

The heavyweight demonstrated he still is a "killer" by knocking out Philadelphia's Gus Dorozio with one punch—a terrific right cross that landed flush on the "button"—in 130 of the second round of their scheduled 15-round title scrap at Convention hall last night.

Bowling-Bailey: Miss Maxine Bailey, of Richmond, Virginia, and Francis Albert Bowling, formerly of Gettysburg, son of Bert Bowling, Wilkes Barre, were united in marriage Wednesday morning at 9 o'clock in St. Paul's Catholic church, Richmond. The ceremony was performed by the Rev. James O'Connell, pastor.

To the modern motorist home is the spot where he can park the car without a nickle.

Message For Midwinter

No matter how effectively the car was winterized now is the time to consider the possibility that it may need another show of protection. In too many cases the strength of anti-freeze is found to be reduced through losses of coolant out the radiator overflow and the addition of plain water to bring the level up again. It is will to re-check the tube level in the transmission and rear end, especially if lighter lubricants have been used for the reason that they may leak out more easily. Any tendency for the car's hot water heater to lose its effectiveness may hint that the motor's thermostat valve is sticking in the open position. The clutch free play may need increasing, especially if the car is battling a lot of snow.

Keep the car winterized. One point seldom considered concerns the use of extremely light oils for quick starting. During the occasional warm days in winter this oil may burn off more freely, especially on a trip. This is also the season when hydraulic brakes are likely to develop air leakage.

Now You Know Why

Many motorists have noticed that when they run into serious brake trouble following parking in the cold, or garaging the car overnight. They do not seem to realize that this can be due to leaving the parking brake on during these periods instead of putting the car in gear. Where the parking brake operates through the two rear hydraulic brakes, instead of on the propeller shaft as on several American cars, the normal pressure of the brake shoes against the pistons is relieved and the cup lip (piston lip) is not held sealed against the cylinder wall. This allows air leakage and makes it necessary to bleed off the lines to restore normal brake action.

In The 1951 Picture

The 1951 automobile is further proof that there is no such thing as standing still in the motor world. Some of the latest details by way of car features include front-end camber and caster adjustments made in the engine compartment, and the use of a box frame instead of the X-type which had been in vogue long enough to seem standardized. You have doubtless heard about the hydraulic steering on one of the latest cars, but did you know that they have taken out the clicking noise in the directional signals of one of the country's finest cars? The rumor is that customers thought the noise not in keeping with the car's characteristic silence.

Mechanic Joe Speaking

"In spite of years of experience comparatively few motorists fully appreciate why it is important that battery connections be tight. Not only is there a good chance of terminals coming loose from jouncing of the car, but the heavy draw on the battery when the starter is used may cause a break in the flow of current. I recall one case where the starter-motor failed because the cable from the battery wasn't secure where it attached to the hot post of the starter. Each time the owner tried to start this cable pulled back just enough to break contact.

"Another thing that breaks contact at the battery posts is corrosion and sometimes the excessive amount of grease which owners put on in an effort to check such corrosion."

Toward Better Lighting

Probably because it is so simple few think it worth while, but if the car's lights seem below par perhaps you just need to have the connections cleared up and re-tightened. A lot of corrosion develops at contacts in the electrical system, the sum total of which is to lower the actual voltage reaching the lights. That is why relays in the circuit help toward much better lighting, as well as hornring. But even with relays there are line losses which should be checked. Don't look now, but they're often right at the battery connections.

Among the detailed changes in cars caused by the use of coil springs for rear mounting is the unusual way of attaching the rear shock absorbers. In one installation the shocks are mounted to the rear brake backing plates, and to the frame. This offers just one more reason for making sure that the backing plates are tight. Looseness

here will cause more than brake noise.

Apropos Of Additives

The reason some motorists fail to get proper results from tune-up oils, solvents and oil additives in general is merely because they do not use them at the right time. It is also essential to treat the car itself to appropriate use after adding these motor aids. There's no use trying to loosen carbon deposits or dissolve gums unless the engine is given a good work-out. After all, the carbon has to go out the exhaust and the motor has to be sufficiently flushed with the additives to get the gums into circulation where they can be drained off. Following a hard run with the car, including hills, the crankcase should be drained with the motor still hot.

It also pays to introduce some of the additive through the spark plug holes in the cylinder head, letting it stand in the cylinders overnight. Do this when the engine is cold.

Output On The Downbeat

When the generator is not putting out normal current the usual caper is to suspect the current regulation system, but it is usually a waste of time. In more times than you'd suspect the generator itself is the seat of the low output. Dirt alone will do it. I mean grime and grease on the commutator. This doesn't always come off with normal sanding of the commutator. In between the

segments the slots may fill up with dirt and have the same effect as high mica. That is, the dirt itself will cause the brushes to jump.

For Future Reference

Often the cause of oil loss from the valve compartment of overhead valves is due to spreading of the cover at the center. This can be checked by greater care when tightening it.

If your car is equipped with an automatic transmission be sure to check any air ducts or vents occasionally, especially after driving where there has been a surplus of insects.

One reason lubrication of the speedometer cable doesn't always produce desired results is merely because it has been rotated within the conduit to provide even distribution of the special lube used for this purpose.

In The Motor Mail

Q. Is there any special advantage water cooling has over air cooling? I'm aware of the disadvantages. H.L.B.

A. Let us say that water cooling is more intimate. That is, water is circulated to valve seats and other places where heat has to be carried away quickly. In all systems air does the final cooling.

Q. In spite of a real motor overhaul I can't get the engine of my car to idle properly. It acts just like a bad case of sticky valves. I get this whether the engine is hot or cold. M.M.C.

A. There's a bad leak in the diaphragm of the vacuum pump which on your car is in combination with the fuel pump. Air is being drawn

into those cylinders nearest the vacuum line plug in the intake manifold. This leans out their mixture excessively.

Q. Is it true that all cars without torque tube drive make a thumping noise when started forward or backward? H.G.F.

A. No, this is not a basic defect of Hotchkiss drive, but it can happen if the car's rear springs or the drive line are not properly lubricated. Condition of the clutch, weight of the car, and other factors also enter the picture.

Q. Can you suggest anything to do to the manifold heat control valve to prevent it from becoming corroded and finally freezing? The one on my car would be difficult to replace. Wm.J.H.

A. Put a few drops of penetrating oil on the shaft of this valve when the car is standing in the garage. You can make up a solution of

baking soda and kerosene that will be effective in keeping this valve free.

Q. Do top-cylinder oilers tend to load up the carburetor with oil? The instruction book says never to oil carburetor parts. J.H.Jr.

A. These oilers feed to the intake manifold. It is not the same as putting oil into the gas tank, a method that is a little crude for the modern car.

Q. Water is getting into one or two of the cylinders of the engine of my car. Apparently a cracked water jacket. What now? H.J.G.

A. Hold everything. Maybe just a loose cylinder head bolt. Mr. Russell will answer questions regarding the safe care and operation of your car. Just address him at 254 Fern street, West Hartford 7, Conn., and enclose stamped, self-addressed envelope for a personal reply. There is no charge.

RADIO

New York, Feb. 24 (AP) — Picture your mother-in-law getting a "greetings" notice from Uncle Sam. It may not be as far-fetched as it sounds. In fact, the subject will come up for discussion on tomorrow's session of "People's Platform" on CBS at 12 noon.

The question, "Should Women be Drafted for Military Service?" will be given an airing by Sarah T. Hughes, judge in the Texas district court and president of the National Federation of Business and Professional Women, and Harold Taylor, president of Sarah Lawrence college.

The question of drafting women came up occasionally in the last war, but legislators sidestepped the issue.

IRISHTOWN FIRE DAMAGES HOME

Fire of undetermined origin damaged the home of Paul Lawrence, Irishtown, Friday morning shortly after 6 o'clock. Four fire companies fought the flames. No estimate of the loss, which is covered by insurance, was available.

Discovered by members of the Lawrence family, the blaze had gained considerable headway before the arrival of the Irishtown Fire company whose engine house is about one block east of the Lawrence home.

The fire started in a loft above the kitchen attached to the main portion of the house and burned through into an upstairs bedroom.

The Irishtown company was assisted by members of the New Oxford, McSherrystown and Conewago Fire companies, all of which responded with apparatus. Water from the booster tanks of three trucks was used and a line was laid to the Irishtown fire reservoir, a short distance away, to put out the blaze. Furniture was removed from the kitchen and was not damaged.

Mr. Lawrence stated that he could not estimate the damage but said it was covered by insurance. Firemen reported that the fire could have started from an overheated stovepipe or defective wiring in the kitchen loft.

Berlin, Feb. 24 (AP) — Communist East Germany admitted Friday a growing coal and steel crisis is threatening its already weak economy. The free German youth (FDJ) tipped off the situation by launching a recruiting campaign to lure young men into the mines.

Lake Success, Feb. 24 (AP) — The United Nations Good Offices committee was reported to have made its first approach to Communist China to see if Peiping will reconsider and discuss Korean peace terms with it.
